

June 11, 2024

Good afternoon members,

I hope to find you well. Sorry that I haven't written in a while. I have been very busy. During the last few months, I have had lots of conferences to go to and lots of other things going on with People First. I hope you are enjoying your summer! Do something for yourself get out and enjoy the weather. Remember when you're out to wear sunscreen, because you can get very sunburned. I hope you're going to go to farmers markets, festivals, and things like that.

Also, make sure you take care of your mental health. I'm on vacation starting today but I wanted to write a letter and check in with you. I wanted to let you know that during the summer, People First is not having a Speaker Series on Tuesday, Meet Ups on Thursdays, or movie night. We are using time to plan and the virtual events will return in the Fall. Please watch for a survey from us coming out soon. We want to see what you are most interested in and what times work best for you. I will write another letter and keep you informed to what's going on this summer.

I have been thinking about voting and it is a big election year! The next election is on Tuesday, August 13th and you can find more information at <https://disabilityvote.org/>

When I'm off of vacation, if you need anything you can reach out to my staff and they'll help you. Remember if you're in a crisis,

you can call or text the Crisis Line at 988. I hope you have a nice couple of weeks. I'll be back in touch in a few weeks.

Love,

Cindy Bentley
Executive Director
People First Wisconsin
