

April 22, 2021

Good morning members,

I hope to find you well. It has been almost a week and a half since I last wrote to you. I hope you all are having a great week, and I want to wish you a Happy Earth Day!

I am sure you heard the verdict on the George Floyd case. Derrick Chauvin was found guilty in the murder of George Floyd. This is a good step forward for justice and accountability. I would like to hear some of your opinions on the verdict. I am curious to know what people thought about it. As for COVID-19, we are still seeing cases coming in, and not everyone has been vaccinated. I hope you have been able to get your vaccination and are continuing to take the necessary precautions. It is important that we continue to wear our masks, keep ourselves and our areas around us clean, and try our best to avoid any large gatherings. Some of the schools that have opened back up since their initial shut down are experiencing new cases, and some classes have gone back to virtual learning. I ask you to please remain patient, and to keep your hopes high. In the weeks to come we will be reaching out to each of you to make sure you are able to get the vaccine and help you in any way we can.

With Mother's Day right around the corner, please take some time to think about those who have been a mother to you. Even if you do not have a biological mother, maybe there has been someone who has been like a mother to you. I have 9 different people in my life that I look up to as a mother. I will be sending them flowers and reaching out to thank them for being there for me. I am incredibly lucky to have these figures in my life and am very grateful. Make sure to show your appreciation and make the day special for them.

I hope you all have a great weekend, and I will speak with you next week. Do not forget to do something nice for yourself this week. Be the change that you want to see in the world!

You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to

take your call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673.

Sincerely,

Cindy Bentley
