

January 4, 2020

Good morning members,

My job coach is on vacation this week, so Kate is helping me write this letter to you. I hope to find you well today. I hope you had a nice holiday and your New Year's went well. As I have said, I am working on a resource list for our members, (Milwaukee, Oshkosh & more) it may take a while to get it together, Erin and Kate will help me get this information out to you. We will send the resources out by mail, email and on our website. It is important to share resources with our members, if you are in need, please reach out to us. If you are a senior, there are additional resources. Just let us know and we can help you.

We got a lot of snow across the state, that can impact how you are able to travel around. I suggest you find some good activities in your house. Puzzles, crafts, 2021 calendars, movies, coloring are all great activities to try. I found a fun new resource off the Apple store to find [Puzzles.com](https://www.puzzles.com) and also [Coloring.com](https://www.coloring.com). After work, I have a great group I am involved with 3 nights a week, it's great to stay busy. I really think Zoom has been great to stay in touch. I know you can all learn how to Zoom, reach out to us if you need help in using Zoom. There are many great tutorials for how to Zoom.

In closing, a reminder about Covid-19, it is important that you remain aware of the fact we are not out of the woods by any means. Wash your hands frequently, social distance from others. I am not sure when the vaccine will become available to us, but as soon as a plan is released, we will share that information with you. You can call my cell phone @ 414-852-6462 8:00am - 7:00pm, Monday - Thursday If I am unable to

take your call, I will call you back. You can reach the Cope Hotline @ 1(262)-377-2673.

Let's make 2021 the year to move forward, no going backwards!

Sincerely,

Cindy Bentley
