

July 11th, 2022

Good Morning Members,

I hope to find you well today. I have some updates about COVID again. I heard the number of cases are going up again. Be careful when you are out doing things. It is important to wear your mask when you can because it is all around us.

I know it is hotter out now and it is harder to wear a mask, but it is important. I am still doing what I can to be safe and I haven't gotten COVID yet and I hope I never do. Also, continue to wash your hands and keep a safe social distance from others.

Please remember to register to vote. You need to have everything in by July 20<sup>th</sup> to be able to register online or by mail. The deadline to register in person at your clerk's office is August 5<sup>th</sup>. You can also register at your polling place on election day.

Voting will take place on August 9<sup>th</sup>. Make sure to have an ID and proof of residence when registering to vote. You can also go to the DMV if you need to update your address to match the DMV

records. If you have any questions, you can call disability vote at 844-DIS-VOTE. If you don't vote you can't complain.

It is going to be a hot couple of days and could get into the 90s. Make sure you are drinking enough liquids like water or Gatorade. Make sure to also have some food if you are not feeling good. If you need a cool treat, you can also eat a freeze pop or Popsicle. If you have pets make sure they have access to plenty of water because they can also overheat.

Do something good for yourself while also staying cool. Tonight if you want something to do go to our website and join the meetup tonight at 4:30pm. You can't love somebody else until you love yourself. Try to reach out to at least one person and tell them you are thinking about them and you care about them.

I hope you have a very blessed week! Please reach out to me if you need anything. You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to take your call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673.

Sincerely,

Cindy Bentley
