Good morning members,

I hope to find you well this morning. I hope you had a beautiful weekend and were able to get some fresh air. I had a great weekend myself. I am looking forward to starting a new week, and I am counting down the days before my trip next week to go visit my good friend in Madison. I will be going to go to the Madison zoo for the first time and am excited to get away from daily stress. Do you have any plans for Memorial Day weekend? If so, I would like to hear about them!

We are expecting some nice weather this week. The humidity will be coming on Thursday so maybe think about getting your air conditioning set up and ready to go if it is not. As we move into hotter weather, please make sure that you are drinking plenty of water and stay hydrated.

As for COVID-19, we are seeing a lot of restrictions being lifted, and businesses not requiring masks anymore. I noticed this at the Trader Joes and the Walmart by my house. Though I have gotten both of my vaccinations, I will still be wearing my mask to stay safe and to set a good example. It is your decision whether you want to get the vaccination or not, though I believe that people who do not get vaccinated are putting other people at risk. I also noticed that sports stadiums have been increasing their attendance. It is nice to see things getting back to normal, though I would still be cautious if I were you.

Our Self-Determination Conference will be coming up on October 18, 19, and the 20th. Please stay tuned, as People First will be posting information on registration shortly. Thank you all for reading my letter, and I hope you have a blessed week. Remember that in order to love others, you need to love yourself first. Make the change you want to see in the world.

You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to take your call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673
