

May 25, 2021

Good morning members,

I hope to find you fine this morning. I wanted to let you know that today is the anniversary of George Floyd's death. At 1:00pm today there will be a moment of silence on television which I plan on taking part in. If you are available, please take the time to celebrate this life that was lost to violence.

We are approaching Memorial Day weekend. I hope you have some sort of plans and will be able to get outside. Be sure to remember those who have fought for our country, and all that they have done for us. This weekend I will be going on a little trip to Madison to visit a good friend. I am looking forward to getting out of Milwaukee for a few days. We will be visiting the Madison zoo, and going out for a fish fry.

It will be nice to forget about stress for a few days and to live it up. It has been a year and a half since I last visited Madison and took the badger bus. I am looking forward to the ride and to see my friend. I am hoping to go frogging when we are there. This means catching frogs with nets! It is something I really enjoy doing and am extremely excited for. If you are traveling this weekend, please be safe, and enjoy yourself. I know that mask mandates have been lifted, though I will still be wearing mine when I feel it is necessary. For your information, our office will be closed on Friday until next Tuesday in observance of Memorial Day. I hope that you all have a great week, and a spectacular Memorial Day weekend.

You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to take your call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673.

Sincerely,

Cindy Bentley
