

December 13th, 2021

Good Morning Members,

I hope to find you well this morning. Christmas is only 12 days away. Are you ready for Christmas? I got everything decorated in my house and I will be making some cookies this week. I am going to be buying the rest of my Christmas presents for everyone that I love is week.

I know Christmas can be stressful at times, but last year we weren't able to visit family or friends. This year I plan to spend lots of time with family. I love watching all the Christmas movies and watched Rudolph the Red Nosed Reindeer this morning.

There will be no letter from me until after the holidays. I will have another letter out in the New Year! Then it will be a letter every other week starting in the New Year as well. I wanted to let you know the office hours will be different for the following two weeks. On Wednesday the 22nd the office will be closing at noon. We will open again on the following Monday the 27th like normal. Then the office will close again at noon on Wednesday the 29th and open again on Monday January 3rd in the new year of 2022.

I will be in on Monday and Tuesday all day the week of Christmas and the week of New Year's if you do need to reach out for any reason. Try to do something for yourself. Christmas isn't just about presents it is about friends and family. Take a walk if you can or visit with family. This is my advice for you for the holidays. I want to wish you all a very Merry Christmas and Happy Holidays!

Please reach out to me if you need anything. I am wishing you all a blessed Monday. You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to take your call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673.

Sincerely,
