

October 4th, 2021

Good Morning Members,

I hope to find you well this part cloudy and sunny day. I don't know a lot of news with COVID, but I heard the trend is going down a little bit. Still continue to be careful by washing your hands and wearing a mask. It is getting very exhausting listening to the news about COVID and the numbers.

I want to remind you in two weeks from now that the Self-Determination Conference starts. October 1st was the cutoff date to receive a box of goodies, but you can still register for the free conference though. If you register you can still try to get a goodie box. There will be a night market with lots of items to buy and things to look at. There are a lot of Keynotes and I am one of them. It is going to be really nice and fun. There will also be a virtual dance at 5:30pm on Tuesday of the conference and they will be playing different movies as well. The kickoff of the conference is on my birthday, October 18th.

Remember to take care of yourself. Thank you for your attention and have a blessed week until I talk to you again. You can call my cell phone @ 414-852-6462 8:00am - 5:00pm, Monday - Thursday. If I am unable to take your

call, I will call you back. You can reach the cope hotline @ 1(262)-377-2673.

Sincerely,

Cindy Bentley
Executive Director
People First Wisconsin
